**The City Arts Drama Center is a Division of the City of Greensboro  
Parks and Recreation Department**

## Class Descriptions

**Acting** - Develop the skills needed to become an actor. Characterization, voice and movement, and various acting techniques will be covered.

**Act the Story** - Bring in a favorite book or story and the class will act it out. Students will get a chance to play their favorite characters.

**All The World's a Stage** - Learn a little bit of all of it. Choose a play or a story and design a set, costumes, choose props to use and even make a few.

**Broadway Dance** - A variety of dance styles that are used in Broadway shows will be taught.

**Creative Dance** - This class will get students on the road to good dance technique. Laced with fun, students will learn how to make out bodies into fluid movement.

**Creative Dramatics** - Channel that imagination into on stage performance skills. Students will learn playacting and basic acting techniques in a group setting

**Dance with Disney** - Be Belle, Ariel or even the Beast. Using tunes from Disney students will create dance routines involving the themes and characters from the movies they love.

**Dancing Like the Stars** - Just like the similarly named TV show, students will pick a dance genre and work out a routine with a partner. It's for all levels of experience.

**Improvisation** - Can you think fast on your feet? Improvisation is the key to fun and creativity. Build a character from within. Develop instant self expression!

**Let's Do A Play** - From concept to finished product, the class will write, act and perform a play.

**Let's Make a Movie** - From concept to finished product, the class will write, act, and produce a short film.

**Monolog Workshop** - The class will help young actors find a monolog and get coaching. Students will be ready to face any audition situation with confidence.

**Murder Mystery** - It's murder! Whodunnit? The class will put together a murder mystery and will perform it for an audience.

**Musical Theatre** - Put together a Broadway production number. Learn the vocal techniques to sing and movement necessary to be in a musical.

**Pantomime** - Using movement and dance techniques, students will put together stories without words.

**Play with William** - Discover the fun and drama of Shakespeare. Experience the best comedy sketches and dramatic scenes ever written in the history of the world.

**Puppets Alive** - Create a puppet and put together a puppet show.

**Settle the score!** - Learn combat for the stage. Using both fists and swords, exact your revenge on your opponent in a fun and safe class.

**Theatre Games** - There are so many games that teach theatre techniques with the students having so much fun they really don't know they're learning.

**Who Am I Now?** - How do you learn to play different characters? This class will teach students how. Explore various characters and how to portray them.

(Classes subject to change)
